

BRONZE PELICAN AWARD

The Pelican has been used as a liturgical symbol since the early days of Christianity. It denotes the tender care of the young by the parent and of the Church. As such, it is an appropriate symbol for those who give of themselves to the development of youth in their formation as Christian leaders.

The Catholic Committee on Scouting for the Diocese of Las Vegas presents the Bronze Pelican Award to adults as recognition of their efforts in contributing directly to the spiritual nourishment of Catholic boys in the Scouting movement.
